Every little girl has dreams of being swept up into a great adventure and of being the beautiful princess. By revealing the core desires every woman shares: to be romanced, to play an irreplaceable role in a grand adventure, and to unveil beauty. John and Stasi Edlredge invite women to recover their feminine hearts, created in the image of an intimate and passionate God.

"If you could see your home explode, what feelings do you feel? It is a situation that I cannot describe." To'me Makhzal, former resident of the destroyed village of Bir'im.

For Palestinians, the events between 1947 and 1949 are remembered as a time when Israeli military forces destroyed over 500 Palestinian villages and expelled between 700,000 and 900,000 Palestinians from their lands – and 85% of the Palestinian population at that time. These refugees have lived exiled from their land since then. Today Palestinians represent 1/3 of the global refugees and internally displaced population. Learn about the Palestinians who call these events the "Nakba", an Arabic word meaning "catastrophe". Both Palestinians and Israelis are children of the Nakba, heirs to a story of dispossession. Building a shared future of justice, equality, and reconciliation for both peoples will mean grappling with this history.

“JUST WALK ACROSS THE ROOM” – Bill Hybels

Length – 4-week study – DVD

Supplements: Leader's/Participant's Guide, Book

In this study the complete church kit (based on the book of the same title), author Bill Hybels brings personal

evangelism into the twenty-first century with a natural and empowering approach modeled after Jesus himself. When Christ “walked” clear across the cosmos 2,000 years ago, He had no forced formulas—just an offer of redemption to people like us, many of whom were neck-deep in pain of our own making. This dynamic, four-week experience is designed to equip and inspire your entire church to participate in that same pattern of grace-giving by taking simple walks across rooms—leaving your circles of comfort and extending hands of care, compassion, and inclusiveness to people who might need a touch of God’s love today.

The biggest difference is that most of these kids haven’t heard about Jesus or God’s love.

Broaden your kids’ understanding of the world through this video series as they learn about the history, geography, and religions of other countries. "SERVICE--THE CHURCH'S GREATEST VICE"

Length: 20 minutes on Videotape (composed of several short scenes of a few minutes each)

These tongue-in-cheek sketches are designed to appeal to youth and young adult groups. Using the game of tennis as a

metaphor, two teenagers discuss service. Jesus' command to serve is explored in skits that show how little value we place on service, how we waste time feeling guilty when we should be doing something, and how we romanticize service in the mistaken belief that it involves far-away places, ignoring the more "humdrum" opportunities that surround us wherever we are. Other topics touched on by the skits include: Christ's definition of true greatness, our good intentions and our poor follow-through, how it is easier to give of our possessions than to give of ourselves, and getting started. Produced by Sisters & Brothers Video/Film, Goshen, IN.

They discuss her rebellious teenage years when she sought comfort in drugs and violent fantasies and was traveling a destructive path similar to that of her killers. The Bernalls talk about changes the family made to help Cassie turn her life around, including attendance at their church's youth group, and the triumphant transformation Cassie made in herself.

Her pastor, church youth group leader, friends and classmates share their memories of Cassie, a typical teenage girl in many ways. The video also features the music-video tribute to Cassie, "This is Your Time", by Michael W. Smith. Produced by Active Parenting Publishers – Copyright 2000

Length: 10 (25 minute) video sessions on 5 VHS tapes

Supplements: Leader's Guide, Course workbook

It's no wonder so many Christians avoid the Pentateuch like the plague. After all, the Bible's first five books are steeped with stories of God's judgment and wrath. Not to mention confusing rituals, ancient customs and mystery. But as Dr. Bruce Wilkinson reveals in *Walk Thru the Pentateuch*, Genesis, Exodus, Leviticus, Numbers, and Deuteronomy are not only some of the most fascinating books of the Bible-they're some of the most important. And in the end, they paint a picture of a God who overflows with love. And looks for every opportunity to forgive. You'll discover the truth about the God of the Old Testament – the tenderness of His affection, the heights of His holiness and the selflessness of His mercy. But more important, you'll discover a God of infinite compassion who, time and again, pushed the limits of His law to give His children one more chance. Here is a rare opportunity to really understand the books we all too often overlook. And to draw closer to the God who always was, and always will be, a God of love.

Each week students will be challenged to go deeper with their understanding (if they weren't Christians) and deeper with their application of the purposes (if they were followers of Christ).
